If you have any questions/queries don't hesitate to email me on Year3js@beecroft.leeds.sch.uk or post directly on the Teams class page.

Hi everyone,

I hope you are all keeping well. I have also uploaded a file to the Teams page that is a really good guide for anyone that is slightly confused with submitting assignments (particularly the word document assignments). Keep up the hard work and I will see you all soon!

Stay safe, Mr Smith

<p>Afternoon Lessons</p>	<p>In the afternoon, you have a selection of different activities that you can complete. These are <u>not compulsory</u>. Follow the links below for activities on different subjects.</p> <p><u>History – Egyptians!</u></p> <p>Click on the following links to learn more about Ancient Egypt. These two lessons will tell you more about what games the Egyptians played as well as learning about the famous pharaoh Tutankhamun. There are lots of videos for you to watch within these lessons. If you are making an Egyptian project, then there is some great information from these lessons that you might like to include.</p> <p>https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/z4wdnrd/</p> <p>https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zvmkhhbk/</p> <p><u>Art Challenge!</u></p> <p>Mrs Pickard has created a range of exciting arts/craft activities for you to complete at home. I will attach this to</p>			

an arts file on Microsoft Teams. Don't forget to send in any pictures of crafts that you create.

Science

This term we would be looking at 'light'. I have included the link for the next lesson about light which will tell you all about how we can actually see light! Complete the starter quiz, watch the video and then complete the final quiz to see what you have learnt!
