

Home Learning Timetable 3JS W/C 25th January 2021

If you have any questions/queries don't hesitate to email me on Year3js@beecroft.leeds.sch.uk or post directly on the Teams class page.

Hi everyone,

I hope you are all keeping well. It was excellent to see all of you engaging in the home learning and completing your assignments – keep it up! The class email is now back up and running now thankfully so I will be able to respond promptly to them. Just a heads up, this week's maths assignment has been split into a quiz and a sheet rather than just a quiz. Enjoy your week of home learning and keep up the hard work!

Stay safe, Mr Smith

<p>Afternoon Lessons</p>	<p>In the afternoon, you have a selection of different activities that you can complete. These are <u>not compulsory</u>. Follow the links below for activities on different subjects.</p> <p><u>History – Egyptians!</u></p> <p>Click on the following links to learn more about Ancient Egypt. These two lessons will tell you more about what life was like in Ancient Egypt and why farming was so important to them. There are lots of videos for you to watch within these lessons. If you are making an Egyptian project, then there is some great information from these lessons that you might like to include.</p> <p>https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zr4s8xs/ https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zkkywty/</p> <p><u>Art Challenge!</u></p>			

Mrs Pickard has created a range of exciting arts/craft activities for you to complete at home. I will attach this to an arts file on Microsoft Teams. Don't forget to send in any pictures of crafts that you create.

Science

This term we would be looking at 'light'. I have included the link for the next lesson about light which will recap on what 'reflection' is and then teach you about what 'refraction' is. Complete the starter quiz, watch the video and then complete the final quiz!

Wellbeing

Mrs Carter will now be hosting online wellbeing lessons on Microsoft Teams in which you can join her for a live Teams meeting! This will take place for Y3s on Friday at 1.45.

Mrs Milner also has a message!

“There is an option to take part in the ‘Big Garden Birdwatch’ by going on line at www.rspb.org.uk If you submit your results they will be used by conservation scientists to help create a picture of how the birds are faring across the UK. This event has been going for over 40 years.

Activity - Why not have a go at attracting more birds to your garden/recreational area by making pine-cone bird feeders!

I will attach the instructions and further information to the ‘Wellbeing’ folder on Microsoft Teams.
