

Home Learning Timetable 3JS    W/C 18<sup>th</sup> January 2021

If you have any questions/queries don't hesitate to email me on [Year3js@beecroft.leeds.sch.uk](mailto:Year3js@beecroft.leeds.sch.uk) or post directly on the Teams class page.

Hi everyone,

I hope you are all keeping well and were all able to find and complete last week's home learning (and definitely have some fun in the snow!) Unfortunately, there has been a problem with the class email on the left of this bubble so I apologise if any of your emails were not responded too. Enjoy your second week of home learning.

Stay safe, Mr Smith

### **Wellbeing**

Mrs Carter will now be hosting online wellbeing lessons on Microsoft Teams in which you can join her for a live Teams meeting! This will take place for Y3s on Friday at 1.45. I will post further information on the teams post about this through the week.

Mrs Milner also has a message!

"There is an option to take part in the 'Big Garden Birdwatch' by going on line at [www.rspb.org.uk](http://www.rspb.org.uk) If you submit your results they will be used by conservation scientists to help create a picture of how the birds are faring across the UK.

This event has been going for over 40 years.

Activity - Why not have a go at attracting more birds to your garden/recreational area by making pine-cone bird feeders!

I will attach the instructions and further information to the 'Wellbeing' folder on Microsoft Teams.
