Weekly Maths Tasks

Monday 18th

1. Ask your parent to mark your ten minute test A1.
2. This week complete ten minute test A2.
3. Watch the video <https://whiterosemaths.com/homelearning/year-6/week-6-number-addition-subtraction-multiplication-division/> (top left video)
4. Complete page 18 – Long Division 1 Section B (A3 sheet contained in yellow folder brought home.) Set the calculations out beautifully in your maths book.

These are the answers. Get your parents to check them once they are completed.

1. 153 r8

2. 122 r21

3. 240

4. 232

5. 165 r18

6. 140

7. 356

8. 330 r7

9. 221 r7

10. 176 r30

11. 348

12. 211 r32

13. 130 r6

A. 18

Write the number one and a half million in figures.

A. 1500000

What is ten percent of one hundred and sixty?

A. 16

What number is twelve less than one hundred and three?

A. 91

Write nine tenths as a decimal number?

A. 0.9

In a class of 46, twenty-seven are boys. How many girls are there?

A. 19

What is four minus eight?

A. -4

What is the cost of four books at two pounds ninety-nine pence each?

A. £11.96

A bag of oranges costs one pound and forty-nine pence. How many bags could you buy with ten pounds?

A. 6

What is the remainder when seventy-seven is divided by five?

A. 2

Long division problems.

Log into **TEAMS ON YOUR CHROMEBOOK**. Find the assignments section and open 'Long Division Problems'. Complete the problems and

mark them using the answers provided. Send me your work.

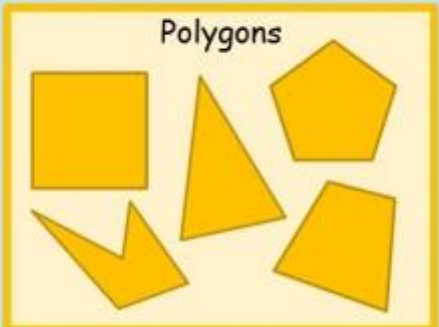

Thursday 21st

2D shape: What is a polygon? Learn this definition.

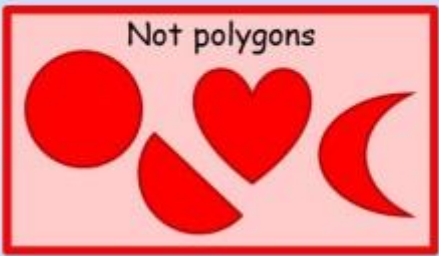

What does polygon mean?

The word **polygon** comes from two Greek words.

Polygons

Not polygons

The word **poly** means "many":
polymorph = many forms
polymath = someone with lots of different skills

The word **gon** means "angle":
hexagon = six angles

The word **polygon** means "many angles".

A more helpful definition:
A polygon is a closed 2D shape made of straight lines (e.g. not a circle, shapes with curves or an open loop!).

Share your learning with us:

Year6nb@beecroft.leeds.sch.uk

How many sides does each polygon have? Test yourself on these facts:

3	triangle
3	equilateral triangle
3	isosceles triangle
3	scalene triangle
4	quadrilateral
4	kite
4	inverted kite
4	parallelogram
4	trapezium
4	square
4	rhombus
4	rectangle
4	oblong
5	pentagon
6	hexagon
7	heptagon
8	octagon
9	nonagon
10	decagon

	<p>Can you remember what parallel and perpendicular lines are? Look in your little blue maths fact book to remind you.</p> <p>In your maths book use a pencil and ruler to:</p> <ol style="list-style-type: none"> 1. Draw 2 shapes with 1 set of parallel sides 2. Draw 2 shapes with 2 sets of parallel sides 3. Draw 2 shapes with 1 set of parallel and 1 set of perpendicular sides 4. Draw 1 shape with 1 set of perpendicular sides <p>Complete the Tarsia puzzle that is in your yellow paper folder that you collected from school. It is the sheet made up of lots of triangles with shapes inside them. Cut the triangles out and rearrange them so that the edges match - so that the 2d shape definition fits next to the picture of the shape. Stick the final version in your maths book – it will need a double page spread to have enough space for this. The answer to the puzzle is included in the pack if you need help.</p>
Friday 22nd	<p>Warm up: Look in the yellow folder and find 'maths revision sheets' pack (stapled together). Complete Sheet 7/ 2d shapes. Answers are at the back of the stapled maths pack so please ask an adult to check your work for you..</p> <p><u>To Compare and Classify Isosceles and Scalene Triangles</u></p> <p>In this lesson, you will be revising the names of different types of triangles. We will be looking at what they have in common with each other and what makes them different. We will learn the properties of various types of triangles and use correct mathematical vocabulary to describe the features and properties of each. We will focus on scalene and isosceles triangles.</p> <p>https://classroom.thenational.academy/lessons/to-compare-and-classify-isosceles-and-scalene-triangles-chj62c</p> <p>Log into TEAMS ON YOUR CHROMEBOOK. Find the assignments section and open 'Year 6 Triangles'. Complete the problems and mark them using the answers provided. Send me your work.</p>
	Remember to complete your ten minute test. Ask your parent to mark it. The answers are at the back of the book.
Weekly English Tasks	
Spellings / Grammar – Monday 18th	<ol style="list-style-type: none"> 1. Practise last week's spellings – Homophones 1. 2. Watch the video about homophones https://classroom.thenational.academy/lessons/to-investigate-homophones-

Beecroft Primary School Year 6: Home-School Learning Menu for the Week Beginning Monday 18th January

Share your learning with us:

Year6nb@beecroft.leeds.sch.uk

	6wuk6c?activity=video&step=1 Follow the instructions and learn the spellings given.
Spellings / Grammar – Tuesday 19 th	<ol style="list-style-type: none"> 1. Ask your parent to give you a spelling test on last week's spellings from Miss Brown – Homophones 1 sheet. 2. Watch the second video about homophones https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-homophones-including-test-69hk0d 3. Find the Homophones 2 sheet in the yellow folder that you collected from school; these start with desert and finish with not. Make sure that you know the meanings of each word – if not, use an online dictionary to help you. Start to practise these words.
Spellings / Grammar – Wednesday 20 th	<ol style="list-style-type: none"> 1. Practise homophone 2 words. 2. Visit Education City – Year 6 English – writing - and play <u>Bad Hair Day – Homophones</u>. 3. Complete page 6 of SAT BUSTER Grammar 2 book – Pronouns.
Spellings / Grammar – Thursday 21 st	<ol style="list-style-type: none"> 1. Complete page 7 of SAT BUSTER Grammar 2 book – Pronouns. 2. Complete the Y3/4 Spelling crossword contained in the yellow folder collected from school. The answers are on the back – no cheating! 3. Log into TEAMS ON YOUR CHROMEBOOK. Find the assignments section and open 'plurals sorting'. This is revision of previous work covered in class. Sort the words in to the correct columns. Send me your completed sheet.
Spellings / Grammar – Friday 22 nd	<ol style="list-style-type: none"> 1. Complete page 8 of SAT BUSTER Grammar 2 book – Determiners. 2. Visit Education City – Year 6 English – writing – and play <u>Been There, Done That - Homophones and words that are often confused</u>.
Reading General	<ol style="list-style-type: none"> 1. Visit Audible https://stories.audible.com/start-listen All children's audiobooks are available for free while schools are closed. Registration is not required. 2. Visit https://explorer.theday.co.uk/?token=1e7bdec1795cb36fa02d1c57731cfe13 This is a free daily newspaper during the period that schools are closed. 3. Visit the Newsround website. Read at least 3 articles to find out what has been happening in the news this week.

Reading task / Writing – Monday 18th	<p>** You will find the book called Greenling by Levi Pinfold in your red folder collected from school.</p> <p>To engage with a text - In this lesson, we will analyse the opening pages of Greenling by Levi Pinfold.</p> <p>https://classroom.thenational.academy/lessons/to-engage-with-a-text-cnk3ed</p> <p>** Type up your argument 'Is Winter The Best Season?' Log into TEAMS ON YOUR CHROMEBOOK. Find the assignments section and open 'Is Winter The Best Season?' Use this document to type up your argument. Remember to spell check your work, set it out in appropriate font size and put your name on the bottom of your work. Send me your completed sheet.</p>
Reading task / Writing – Tuesday 19th	<p>To analyse character - In this lesson, we will explore how the different characters react to Greenling.</p> <p>https://classroom.thenational.academy/lessons/to-analyse-character-6mw38d</p> <p>** Type up your argument 'Is Winter The Best Season?' Log into TEAMS ON YOUR CHROMEBOOK. Find the assignments section and open 'Is Winter The Best Season?' Use this document to type up your argument. Remember to spell check your work, set it out in appropriate font size and put your name on the bottom of your work. Send me your completed sheet. (Due today).</p>
Reading task / Writing – Wednesday 20th	<p>To analyse a text - In this lesson, we will analyse how the people change their opinion of Greenling.</p> <p>https://classroom.thenational.academy/lessons/to-analyse-a-text-71j3ce</p>
Reading task / Writing – Thursday 21st	<p>To analyse themes - In this lesson, we will analyse the key themes in 'Greenling' by Levi Pinfold.</p> <p>https://classroom.thenational.academy/lessons/to-analyse-themes-6cr3ar</p>
Reading task / Writing – Friday 22nd	<p>To develop reading for pleasure through discussion of favourite characters - In this lesson, we will revise the meaning of empathy and genre. We will share recommended reads and character traits in order to describe a favourite character.</p> <p>https://classroom.thenational.academy/lessons/to-develop-reading-for-pleasure-through-discussion-of-favourite-characters-c8u68d</p>
Other Subjects	
Science – Monday afternoon	What is reflection and how can we use it?

Beecroft Primary School Year 6: Home-School Learning Menu for the Week Beginning Monday 18th January

Share your learning with us:

Year6nb@beecroft.leeds.sch.uk

	<p>In this lesson, we will be learning about reflection! We will learn about reflective and non-reflective materials and their uses. Then we will look at two different types of reflection: specular and diffuse reflection. Then we will learn the law of reflection. For this lesson, you will need a pencil, a piece of paper and a ruler.</p> <p>https://classroom.thenational.academy/lessons/what-is-reflection-and-how-can-we-use-it-6mt3gd</p> <p>Task: write three ways that your shadow is different to your reflection.</p>
Geography – Monday afternoon	<p>Watch 'Trashing the deep' https://www.bbc.co.uk/teach/class-clips-video/science-ks2-trashing-the-deep/zjk3mfr</p> <ol style="list-style-type: none">1. List the items that you see in the video that do not naturally occur in the sea.2. Can you identify what they are made from and try to explain why there may be damage to the environment from them being there?3. Make a poster or leaflet about responsible disposal of materials. Can you persuade people to behave more responsibly?
Music – Tuesday afternoon	<ol style="list-style-type: none">1. Practise your instrument.2. To explore changes in metre. In this lesson, you will warm-up by playing a game to the tune of 'My Bonnie Lies Over the Ocean'. Then, we will move to music in different metres, review rhythm notation and understand the purpose of bar lines. Are you up for the challenge of a body percussion piece where the metre changes? https://classroom.thenational.academy/lessons/to-explore-changes-in-metre-cnhk0c
History – Tuesday afternoon	<p>Last week you were introduced to Parliament and the role of the House Of Commons and the House Of Lords. You may want to look through the slides again to revise how these two chambers are different – they are in week 1 resources in the home learning zone online.</p> <p>This week we are going to think about debates that take place in Parliament.</p> <ol style="list-style-type: none">1. Watch the slide show called Debating. See home learning zone on the website.2. You have just watched a debate in Parliament – make a list of the jobs that you saw people doing. What worked well in the debate? What did not work well?3. What would you debate in Parliament if you were an MP and you could introduce a new law? Here are some possible ideas:

Share your learning with us:

Year6nb@beecroft.leeds.sch.uk

	<p>bridge, Arch bridge, Suspension bridge and Cantilever bridge</p> <p><u>How does it work?</u></p> <p>Bridges manage two important forces: compression and tension – pushing and pulling. Too much of either and they buckle or snap.</p>
P.E. – At least twice a week.	<ol style="list-style-type: none"> 1. Joe Wicks PE workout on Mondays, Wednesdays and Fridays. The sessions will be broadcast live on his YouTube channel The Body Coach TV at 9am. 2. Can you complete the circuit with a partner, encouraging each other? https://www.youthsporttrust.org/sites/default/files/Healthy%20Hearts.pdf
Computing – Thursday afternoon	<ol style="list-style-type: none"> 1. Practise your touch typing skills using BBC Dance Mat. https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr <p>Learning to touch type is an essential skill to help you be able to type up your high school projects quickly. There are four levels to play, each divided into three stages. You start by learning the home row keys. Each stage builds on previous lessons, introducing new letters as you progress. You'll soon be touch typing like an expert! At the end of each level you can test your typing speed.</p> <ol style="list-style-type: none"> 2. Visit Blockly https://blockly.games to practise your computer programming skills.
Art – Thursday and Friday afternoons	<ol style="list-style-type: none"> 1. Packaging Design - Create an ideas sheet of packaging designs for a new invention. You may want to look at your ideas from last week or create a new invention. If you are stuck for ideas try to create packaging design ideas for a mug that holds biscuits. Think about the lettering, colours and information that need to go on the packaging. Have fun! 2. Last week we visited the Van Gogh Museum in Amsterdam to find the artist's paintings of irises. https://artsandculture.google.com/partner/van-gogh-museum?hl=en. This week we are going to look at his famous sunflower painting and his portraits. Visit the museum again. Can you find 'Self Portrait with Grey Felt Hat'? Use the tools to zoom in close to the artwork. Look carefully at the technique of painting that he used. How did he use his brush? Can you see how many shades of blue and grey he used to achieve this masterpiece? Now find 'Sunflowers'. Again, look closely. How many shades of cream, yellow and green did he use? 3. Now it's your turn to be creative. Visit https://www.tate.org.uk/kids/make/paint-draw/create-art-van-gogh Complete one of the three activities. Share you finished piece of work with me.
