

Home Learning Timetable 3JS **W/C 8th February 2021**

If you have any questions/queries don't hesitate to email me on Year3js@beecroft.leeds.sch.uk or post directly on the Teams class page.

Hi everyone,

I hope you are all keeping well. Just a reminder – I have uploaded a file to the Teams page that is a really good guide for anyone that is slightly confused with submitting assignments (particularly the word document assignments). There will also be a live teams meeting with myself and all of the other home learners on Tuesday. I will post further information about this below. I have also created a new file with maths answers for your lessons from Monday – Wednesday.

Thanks, Mr Smith

Week Commencing 8th February 2021

Catch up Meeting!

On **Tuesday 9th February at 2pm**, I will be hosting a **live** TEAMS meeting for all home learners in 3JS. This will be a good opportunity to catch up and discuss how life and online learning is going during lockdown. It will also be a great opportunity to show and tell some work you have been doing over lockdown or maybe something creative like a craft you have made. You will be able to show this to myself and others in the class during this meeting. To ensure that this meeting can go smoothly you must remember to do the following when logging onto the meeting:

- Click on the meeting in the schedule section (I would do this 5 minutes before we start!)
- When joining the meeting, make sure your microphone is set to MUTE and use the 'Hands up function' when you want to ask a question. This will make it easier for everyone to take turns in speaking and allow each child to tell everything they want to tell!
- Make sure that you are in a communal area and appropriately dressed for the live meeting (no pyjamas!)

I look forward to seeing you all there!

			book review assignment.	
Afternoon Lessons	<p>In the afternoon, you have a selection of different activities that you can complete. These are <u>not compulsory</u>. Follow the links below for activities on different subjects.</p> <p><u>History – Egyptians!</u></p> <p>Click on the following links to learn more about Ancient Egypt. These two lessons will tell you about Egyptian hieroglyphics and the different beliefs the Egyptians had! There are lots of videos for you to watch within these lessons. If you are making an Egyptian project, then there is some great information from these lessons that you might like to include.</p> <p>https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zvw3mfr/</p> <p>https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/z4m8pg8</p> <p><u>Art Challenge!</u></p> <p>Mrs Pickard has created a range of exciting arts/craft activities for you to complete at home. I will attach this to an arts file on Microsoft Teams. Don't forget to send in any pictures of crafts that you create.</p>			

Science

This term we would be looking at 'light'. I have included the link for the next lesson about light which will tell you all about the different colours you can see, including how a rainbow is created!

Complete the starter quiz, watch the video and then complete the final quiz to see what you have learnt!

<https://classroom.thenational.academy/lessons/where-do-different-colours-come-from-6dhp4t>

PE

Complete the Joe Wicks PE workout Monday, Wednesday and Friday. The link for his YouTube channel is below!

<https://www.youtube.com/c/TheBodyCoachTV/featured>

Below is a link from Leeds Rhinos with their 'Active School' challenges. Try and take one on yourself!

<https://www.youtube.com/playlist?list=PLfRtjAE9m2kUAc8fj9gfmt8d0hULdploE>

Computing

For those of you who enjoy using computers and coding, there are lots of fun coding activities on the following link. The activities are similar to software used on Scratch!

<https://studio.code.org/projects/public>

Music

Chair drumming 1- <https://youtu.be/dKDVwc-iTBg>

Learn the rhythm of chair drumming! This is a YouTube video link so make sure you have an adult present if you access this lesson.

Wellbeing

Mrs Carter will now be hosting online wellbeing lessons on Microsoft Teams in which you can join her for a live Teams meeting! This will take place for Y3s on Friday at 1.45.
