

## 4KW: Home-School Learning Timetable for the Week Beginning the 22<sup>nd</sup> – 26<sup>th</sup> February

Hi everyone. I hope you had a lovely half term holiday and managed to find some things to entertain yourself. Hopefully it will be very soon that you are back, but in the meantime, keep working hard and make sure you put the same effort into the English as you are the maths! FAIRTRADE FORTNIGHT. You will remember normally in school we have FAIRTRADE snacks to purchase at breaktime and do activities in class. To link with your writing about 'Chocolate Making' your topic work for home-learning for this week and next week is 'FAIRTRADE' related and we want your work to make a special display in school on your return! There are PSHE, geography and art activities all related to the work of FAIRTRADE and in particular how they support cocoa farmers. This year's campaign also has a focus around climate change. There are lots of extra activities too for you to choose from and take your learning in a direction that interests you! Remember though, if you don't complete the work we can't display it – there will also be FAIRTRADE related prizes for work completed and submitted! I hope you enjoy the topic!
