

Match Three: Equivalent Fractions

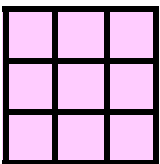

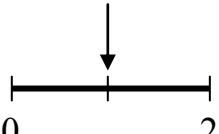

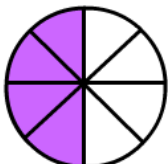

In each row, three pictures are the same and two are different. Shade the three that are equivalent.

	$\frac{2}{3}$		$\frac{12}{15}$	
---	---------------	---	-----------------	---

	$\frac{75}{100}$		$\frac{15}{20}$	
---	------------------	---	-----------------	---

$\frac{12}{20}$		$\frac{3}{5}$		$\frac{18}{30}$
-----------------	---	---------------	--	-----------------

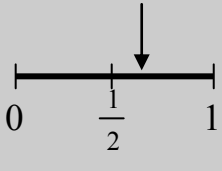

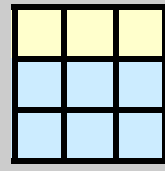

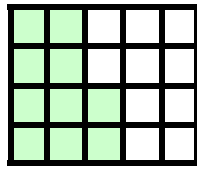

$\frac{5}{6}$	$\frac{15}{18}$	$\frac{5}{15}$		
---------------	-----------------	----------------	--	---

	$\frac{1}{2}$			100%
---	---------------	---	--	------

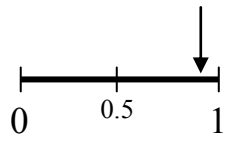

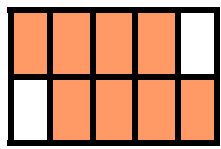

$\frac{1}{6}$		$\frac{15}{24}$		$\frac{20}{32}$
---------------	---	-----------------	--	-----------------

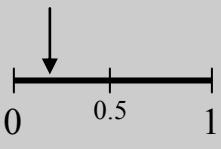

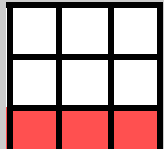

Match Three: Answer Key

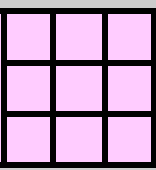

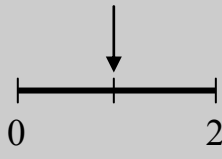

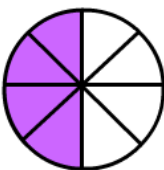

In each row, three pictures are the same and two are different. Shade the three that are equivalent.

	$\frac{2}{3}$		$\frac{12}{15}$	
---	---------------	---	-----------------	---

	$\frac{75}{100}$		$\frac{15}{20}$	
---	------------------	---	-----------------	---

$\frac{12}{20}$		$\frac{3}{5}$		$\frac{18}{30}$
-----------------	---	---------------	--	-----------------

$\frac{5}{6}$	$\frac{15}{18}$	$\frac{5}{15}$		
---------------	-----------------	----------------	--	---

	$\frac{1}{2}$			100%
---	---------------	---	--	------

$\frac{1}{6}$		$\frac{15}{24}$		$\frac{20}{32}$
---------------	---	-----------------	--	-----------------
