

Dear Parent/Guardian,

**Milk is available to all pupils in school  
as part of the School Food Plan**

Currently children under the age of 5, have been receiving free milk at school, funded by the UK Government's Nursery Milk Scheme.

When your child turns 5, milk continues to be available at a subsidised cost of around £18 per term, via our school milk supplier, Cool Milk.

Drinking a portion of milk at mid-morning break offers protein, calcium and other vital nutrients, important for children's growth and development. It can also be a sensible way to bridge the gap between breakfast and lunch.

**What You need To Do:**

**If your child is currently under 5**

- ✓ Your child is currently receiving free milk at school as part of the UK Government's Nursery Milk Scheme.
- ✓ Simply register and make payment with Cool Milk at least 10 days before your child turns 5 in order to continue with the scheme.

**If your child is aged 5 or over**

- ✓ Visit [www.coolmilk.com](http://www.coolmilk.com) at least 10 days before your child's 5<sup>th</sup> birthday and select the 'Register your child for milk here' option on the main home page

After registration, you may then make a pre-payment via your online account for the remaining half term, term or academic year. You can also simply choose your own specified amount, should you wish to do so.

If your child is currently over the age of 5 and entitled to statutory free school meals, there is no need to register. Simply speak to the school office for further information.
